Month: \_\_\_\_\_

The Muse is a nationally recognized publication produced by the communications students at Alexander W. Dreyfoos Jr., High School Of The Arts. We produce six editions per school year that are sent out to subscribers from Tequesta to Boca Raton. In addition, each student and faculty member receives a complimentary copy. Our magazine covers topics that our writers are passionate about; everything from wellness to entertainment reviews to the latest national and local news. The Muse publication depends on support from you: our advertisers, subscribers, and contributors. We hope we can count on you to support our writing and hard work.

Thank you,  
The Muse Staff
